

Peralta Emergency

Alert Sense- Get notifications regarding local emergencies via phone calls, text messages, emails and social media. More information and signup at www.townofperalta.org
Questions? Call Valencia Dispatch at (505) 865-2039.

River Update-The Town of Peralta is aware of the concern that our residents have regarding the river levels. The Town is working closely with the Middle Rio Grande Conservancy District and the US Army Corps of Engineers to monitor the river and make sure that we are prepared for any issues that should arise. The Town is in an awareness level. There is no imminent threat at this time. The links below have updates from the USACE on the current situation on the river. Please also see the below section on “Peralta Prepared”.

Peralta Prepared- Emergencies and disasters can strike anytime, anywhere. The Town of Peralta works hard to ensure that our Fire, Police, Public Works and other Town Departments are well trained, equipped and prepared to handle emergencies and disasters as they arise; but the citizens of The Town of Peralta have a responsibility to be prepared as well. The “Peralta Prepared” program is designed to advise citizens on how they can prepare themselves, their families and their community for emergencies and disaster.
